Business Dashboard

For registered Tiny Businesses

Step 1: click "Something to Share?"

(top right on the main menu)

Step 2: "Log In" with your email address and password

First time logging in? Click "Lost Password?" to set your own password

You need to use the same e-mail that is in our system for you. If you don't get an e-mail to reset the password, please e-mail or call Ennis Carter at Social Impact Studios (Mon-Fri between 10am-6pm) to help you set it up: ennis@socialimpactstudios.com or 215-922-7303.

Check your e-mail to reset your password

then "Log In" using your e-mail and new password

You can click "Remember Me" and it will remember your e-mail for the future, but not password. You'll always have to enter that.

Once logged in, you can edit your own Business Listing

Use the form to edit your information. Remember important things:

- The "Featured Image" on the right side bar is the image that shows up on the website
- Your map will only show up if you input an address
- Don't fill anything in the "Back to Video Button" field – that is for admin only

you can submit a new Special for the Specials Page

Specials will be reviewed before they go live on the site.

you can submit a new Blog Post for the site

Blog posts will be reviewed before they go live on the site
