

The Pendarvis Promise

A system of support is vital in every community. When residents are able to rely on community groups and organizations, it leads to a community that can weather even the strongest of storms. The Pendarvis Promise is a community based, mini-grant program designed to provide support to local non-profit organizations located within District 113, or serving the people of District 113. The Pendarvis Promise is open to organizations that are doing good work within the community and have a project they would like assistance in accomplishing. Representative Marvin Pendarvis wants to shine a light on the community organizations that make District 113 a better place and to bring recognition and support to these deserving groups.

To apply, please complete the following application and submit it to Representative Marvin Pendarvis at info@marvinpendarvis.com by Friday, December 3rd.

Recipients will be notified by Friday, December 17th if your organization has been chosen to receive a Pendarvis Promise mini-grant.
